

2017

Dear Homeowner,

We grow 250 acres of large trees at our Valley Road nursery in Saskatoon. We invite you, by appointment, to come and choose your feature trees. These mature trees are tree spade dug and basketed to facilitate a stressfree move. We provide an installation service, or, if you wish, you can pick up at our nursery and 'do-it-yourself'. All trees come with a 1 year warranty. For appointment call 306.978.3333 (opt. 3) and ask for 'Specimen trees'. Or email us at office@lshore.com.
