

Dear Homeowner,

We are the largest and oldest specimen tree farm in Saskatchewan. We invite you, by appointment, to come and choose your feature trees. These mature trees are tree spade dug and basketed to facilitate a stressfree move. We provide an installation service, or, if you wish, you may pick up at our nursery and 'do-it-yourself'. All trees come with a 1 year warranty. For appointment call 306.978.3333 (opt. 3) and ask for 'Specimen trees'. Or email us at office@lshore.com.
